This Week's Program

THE ART OF FLEXIBILITY

or

OFF THE CUFF

Regrettably our speaker, who was due to bring us up-to-date on recent developments in Rotary International, had to cancel at the last moment.

This gives us the opportunity to feature another of our gripping occasional events.

Stand on the Soap Box and regale us with interesting incidents from your life experience that were and are:

Life enhancing
Amusing
Embarrassing
Affectionate
Not-to-tell-the-children
News worthy
Funny
Historical
Hysterical
Memorable.....etc.

However, if you cannot recall the colourful mishaps, gallantries or shenanigans of your childhood, teens or honeymoon, or are too shy to share them, then there is Plan B.

Tell us a joke that it is so hilarious that you'll have us shrieking with laughter, falling off our chairs and rolling on the carpet.

A word of the wise before we start **"BREVITY IS THE SOUL OF WIT."**

That's the challenge. Everybody can Participate. Enjoy.

The 9th of May is an interesting date. For example: in 1788 the British Parliament abolished the slave trade. In 1865 The US President Andrew Johnson proclaimed the end of the American Civil War. In 1916 the British-French Sykes-Picot conference over the division of Turkey began.

On the **9th of May** 1934, the corner stone was laid for the Hadassah University Hospital Mount Scopus was laid. It would open five years later. In 1945, the Hebrew University-Hadassah School of Medicine was opened

The Hadassah Medical Center (מרכז רפואי הדסה) was, as a medical organization established in 1934. It now that operates two university hospitals, at Ein Kerem and at Mount Scopus as well as schools of medicine, dentistry, nursing, and pharmacology affiliated with the Hebrew University of Jerusalem. Its declared mission is to extend a "hand to all, without regard for race, religion or ethnic origin

Hadassah's Symbol embodies four key elements:

- * The Star of David, the symbol of the Jewish people.
- * The Olive branches, symbolizing love and peace.
- * The Caption/Motto: *Aruhat Bat*

Ami, symbolizing the organization's goal ("The Healing of the Daughter of My People"). *Aruha* means healing, and the verse is taken from Jeremiah, 8:19-23.

- * The Blue background, in the form of the English letter H, which begins the words Hospital and Health.

Hadassah's hospitals are under the auspices of the Hadassah Women's Organization of America. The organization was founded in New York, on March 3, 1912 by a group of women led by Henrietta Szold. After a visit to Israel, Ms. Szold devoted herself to the advancement of medical care in Israel. The first organizational meeting was held around the Purim holiday, inspiring the organization's name

Since the Hadassah organization was founded in New York, we will today, on the 9th of May, bring out our toast for the Rotary Club New York.

Have a good look at their website, it has some interesting pieces of information.

* * * * *

The world tongue-twister champion just got arrested. I hear they are going to give him a really tough sentence.

Correct punctuation: the difference between a sentence that's well-written and a sentence that is, well, written.

So what if I don't know what "Armageddon" means?

It's not the end of the world.

* * * * *

Never lend money to a friend.

It's dangerous.

It could damage his memory.

Life is so much funnier when you have a dirty mind.

Sadly, the days of people using proper English are went.

The POSITIVE THINKER sees the INVISIBLE, feels the INTANGIBLE, and achieves the IMPOSSIBLE.

Do you know the difference between heaven and hell?

Heaven is a place where:
the police are British
the cooks are French
the mechanics are German
the lovers are Italians
and the whole thing is organized by the Swiss

But hell is the place where:
the police are German
the cooks are British
the mechanics are French
the lovers are Swiss
and the whole thing is organized by the Italians
