## *Rotary International Convention*

*Hamburg, Germany*

*1 - 5 June 2019*

Dear Rotary Club Presidents,

Rotary is an international organization with a global reach, a network of clubs and inter-personal connections, and of fascinating multi-cultural encounters. All of this can best be experienced at an international conference attended by tens of thousands of Rotarians from two hundred countries. Anyone who has never attended a Rotary World Conference has not experienced Rotary at its best and greatest.

Next year's International Conference will be held in Hamburg, Germany on June 1, 2019. An impressive delegation of Rotarians from our region, led by incoming Governor Alon Bendet, will attend this event. Now is the time to decide that this time you will not miss the opportunity to participate, but to plan a year ahead for your trip to the conference and other interesting trips in the area.

In the coming days, the International Conference will be held in Toronto, Canada. During the period of this conference, 23-27 June 2018, early registration for the Hamburg Convention can be made online at a considerable discount of about 40% via <https://ric2019.rotary.de/en/>.

Please forward this email to your members.

Best regards  
Yona Mazor

## *The International Toast*

### Rotary Club Stockholm International

Today, June 6th, has been celebrated as a national holiday in Sweden since 1523, when Gustav Vasa was elected as King of Sweden. This event is considered as the foundation of modern Sweden, since it led to the end of the Danish-rule of southern Sweden so that in a sense the day is a marking of Swedish national independence,

Until 1983 the day was known as the "Swedish Flag Day (in Swedish: "Svenska Flaggens Dag)". At that time, the day was renamed the "Swedish National Day". It is celebrated as a full public holiday.

This is the reason why we today are toasting a relatively new Swedish Rotary Club in the country's capital, wishing them well and a bright future.

The Rotary Club of Stockholm International is a young, vibrant member of the Rotary International family. Started in May 2003, the club is located in Stockholm, Sweden's capital city, and is the only Rotary club in Stockholm that conducts its meetings in English. The membership is international, culturally diverse and often has representatives from foreign embassies as well as from the business, professional, vocational and artistic sectors.

The RCSI adheres to the vision, mission and principles of Rotary International. Being the only English-speaking club in Stockholm they also welcome non-Swedish speaking Rotaract members from other countries and those Rotaract members living in the Stockholm area to join their club or simply participate in their weekly meetings on a regular basis.

President: Ulf Eriksson

Secretary: Hedde Lundgren

Treasurer: Nerijus Vencus

## Happy Hour

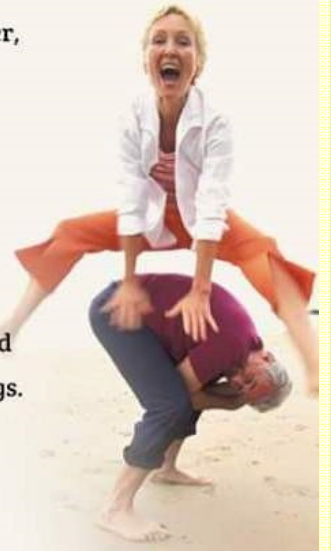

"It says here that you'd prefer someone with regular bowel movements...Does it matter if they're involuntary?"

## I am a Seenager. (Senior teenager)

I have everything that I wanted as a teenager,  
only 60 years later.  
I don't have to go to school or work.  
I get an allowance every month.  
I have my own pad.  
I don't have a curfew.  
I have a driver's license and my own car.  
The people I hang around with are not scared  
of getting pregnant and they do not use drugs.  
And I don't have acne.

**Life is great.**

Mother: "How was school today, Patrick?"

Patrick: "It was really great mum! Today we made explosives!"

Mother: "Ooh, they do very fancy stuff with you these days. And what will you do at school tomorrow?"

Patrick: "What school?"

I dreamed I was forced to eat a giant marshmallow. When I woke up, my pillow was gone.

Doctor: "I've found a great new drug that can help you with your sleeping problem."

Patient: "Great, how often do I have to take it?"

Doctor: "Every two hours."
