Dear Editor,

It may be superfluous (Dutch: "overbodig") but still I would like to praise you for presenting every week an up to date, interesting and enjoyable to read bulletin. Please continue for many more years!

Thanks, also on behalf of Carry, Louis P.

I have circulated to the membership an invitation for an Eshkol outing on Friday 12 June from 9:00-13:00. It includes a visit to places of interest in Ramle, such as the museum, the white tower, a short boat ride in the "Arches Pool" and coffee.

The price is NIS 20. per person excluding the coffee. Instructions for driving and parking will follow later.

I must report the number of participants from our club not later than 31 May, so please let me know ASAP.

And if you want to go, but cannot manage the Hebrew of the enclosed poster, also let me know and I will help you out.

S/David Lilienthal

#### Florence Farber z"l

Opening my mail a short while before the end of the chag, I found a message from Ruth that Marilyn Farber's mother has passed away, probably last Friday. Marilyn is in the USA for the funeral and shiva, If someone has more details, I would appreciate if you could send them to the membership.

We wish Marilyn and Mark a lot of strength and wisdom to cope with this loss and look forward to see them back in our midst in due course.

### Gondar, Ethiopia

Many members of one of the legendary "Lost Tribes" actually live among us in Israel. One such "lost tribe" is Beta Israel ("House of Israel") - Ethiopian Jews who were also called "Falashas" in the past. They believe that they are descended

from the lost tribe of Dan, as opposed to the traditional story of their descent from the Queen of Sheba.

Beta Israel

also have a tradition of connection to Jerusalem. After Halachic and constitutional discussions, Israeli officials decided in 1977 that the Israeli Law of Return will be applied to Beta Israel.

There are ten Rotary Clubs in Ethiopia. In 1955, during the reign of Emperor Haile Sellassie, the Rotary Club of Addis Ababa was chartered by-Royal Decree. With the fall of the Emperor and because of being labeled as "capitalist bourgeoisie" and an USA oriented Club by the Derg Regime, Rotary

suffered some very difficult years.
After the collapse of the Derg Regime,
The RC of Addis

Ababa West was chartered in 1991, followed by more clubs in other cities across the country. Three Rotary Clubs were chartered in 2008 alone.

We will Toast the Rotary **Club of Gondar Fasiledes**, named after the Castle of the King Fasiledes at the heart of Gondar city.

The Club was re-chartered in 2013. Its 32 members, mainly university staff, businessmen and women, meet every Sunday at 17:00 at the Taye Hotel. Next time you happen to be in Gondar do not miss the meeting!

### Tony Kolankiewicz

Our latest recruit, Anthony Kolankiewicz, was inducted to the Club's at the dinner meeting on 27 April.

Tony Kolankiewicz served in the US Army from 1971 to 1981, specializing in intelligence and security issues. He was stationed in Massachusetts, North Carolina and Virginia. Overseas assignments took him to Turkey, Japan and South Korea. His final rank was Major.

His later career with the US Foreign Service, specializing in political and security issues in Europe and Asia. His overseas assignments took him further afield, to Manila, Singapore, Bucharest, Bandar Seri Begawan (guess where this is?), Brussels, Moscow. His last assignment was to Warsaw, where he served as Foreign and Security Policy

Chief (2008-2010). In addition he served in Washington DC in a variety of fascinating posts, among them Country Officer for Laos and Cambodia and ASEAN Regional Forum Officer in the Bureau of East Asian and Pacific Affairs.

Tony's wife, Mihaela-Carmen Fecioru, originally from Romania, currently serves at the US Consulate General in Jerusalem. They have two children, Sharon and Alisson.

## Aqua Bella

Aqua Bella, as the Crusaders called it, or Ein Hemed National Park as it is now known, is a beautiful spot of trees, lawns and archeological remains, just outside Jerusalem and so convenient for us to have a fabulous day of family picnic and barbecue.

Last Friday some thirty three members, family and friends, gathered at Ein Hemed and had a most enjoyable day. David led a tour of the site and after describing the Crusader period took the group to the impressive ruins of the fortified Crusader farmstead.

Yaron organized games for the children and got his good friend Jamal to run the *mangal* with the assistance of some of the older children. The weather was perfect, the food delicious and a good time was had by all. Can we look forward to next year for Aqua Bella #2?
